Product Description

Arturo Chiriboga now creates this twist on Bavarian blue at Hofkäserei Kraus, home of Alex, Alp Blossom, and Lisa with Ramps. Drawing on his love for Roquefort and the region's traditional Bavarian Blue, Arturo utilizes milk coming from Albert Kraus' brother's heard of Brown Swiss cows.

Ready for market at 60 days, Chiriboga Blue is rindless, with a thick paste, creamy mouth feel and bright, tangy flavors. Its light veining adds a bit of tangy punch to the flavor, but overwhelming flavors of cream and butter linger on the palate.

Arturo Chiriboga, the master cheesemaker behind Chiriboga Blue, was born and raised in Ecuador and went to Europe as a young adult to learn the art of making cheese. While in Europe, he met and fell in love with a Bavarian girl, who he followed home to the Alps to begin his career in cheesemaking.

Originally created in Kaserei Obere Mühle, Chiriboga Blue production has now moved to the state of the art Hofkäserei Kraus located just further north in Bavaria and run by fellow cheesemaker Albert Kraus. Arturo and Albert have maintained a friendly relationship over the years, and Albert's dairy is better equipped to support more production of Chiriboga.
