Picture of Product

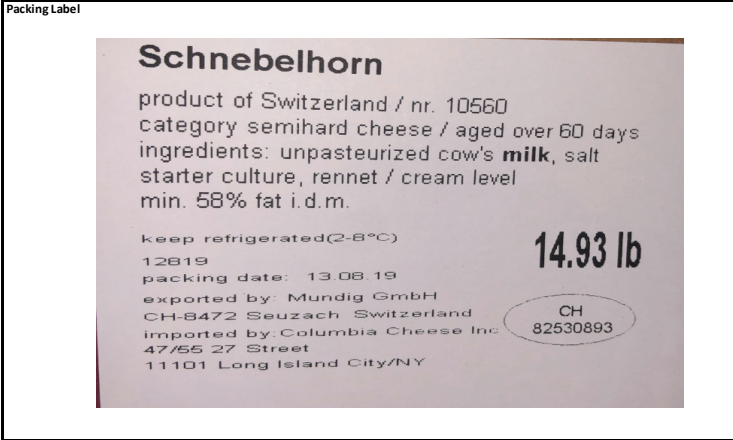

Product Description

Schnebelhorn continues cheesemaker Reto Güntersperger's journey as a cheesemaker. A cream added cheese, it is richer and more decadent than most of the cheeses from this cheese-rich region. Named after the region's highest mountain peak, Schnebelhorn stands out for its elaborate textural and flavor characteristics.

Aged 8-9 months, the cheese develops a pronounced level of Alpine cheese spiciness, balanced by tremendous butter & cream.
